Tucked into a quiet cul-de-sac with no rear neighbors, this home is a perfect place to start your family story. The main floor has hardwood floors and a bright, open kitchen/dining space. The kitchen offers a functional U-shape with corner pantry and access to the backyard is available from the dining room. There is access to the attached garage and a 2-piece bathroom to complete this level. Upstairs you’ll find three bedrooms, a full bath, and laundry conveniently located where life happens most. The lower level offers extra living space for a bedroom (non-egress window) or a cozy family/gaming room with a second full bath! Plus there is plenty of storage. Outside, the west-facing fenced yard is made for kids, pets, and summer evenings, complete with a large deck with pergola and a shed for additional storage. A double attached insulated garage with gas RI, an oversized driveway and ally access with additional parking/storage potential for a utility trailer or RV only adds to the everyday ease of this property. This property checks a lot of boxes, offers great curb appeal and truly is a solid home ready for your personal touches! Conveniently located with quick and easy access to HWY 580 & 2A for those commuting. And, walkable to parks, recreation and the K-4 School. *Some photos have been virtually cleared and may not be an exact representation of the space*
