[Asset Sale] Fantastic opportunity with a full flexibility to operate your own concept & brand in a prime location of downtown. Lots of improvement had been made in past few years, and last year new flooring and both washrooms were fully renovated. The kitchen is well equipped with 10ft canopy, commercial dishwasher, three deep fryers, grill, 4-burner stove, and ample storage. It offers 1,144 sqft with permitted seating of 37, modern interior, efficient floor plan to manage the entire space with minimal staff. This is a fully licensed restaurant with liquor license. Prime location surrounded by high-density residential condos and office buildings which generate strong foot traffic. The area continues to improve as the local economy gains momentum. Very attractive lease at \$3,296.63/month (Base \$22/sq.ft. + Operating \$12.58/sqft), and the new owner can secure new 5 year lease. Bring your own concept and be the boss of your own restaurant! Tremendous turnkey opportunity! Please do not approach staff and owner!
