The main level features two spacious bedrooms, warm hardwood flooring, a cozy fireplace, a bright four piece bathroom, and both living and family room spaces that make the home feel welcoming and functional. There is also a spacious office space that could be converted to a third bedroom if desired. The kitchen is filled with natural light thanks to large corner windows and includes a comfortable eating area, perfect for everyday living. The lower level is a fully legal one bedroom suite with a large living area, full bathroom, and a newly renovated kitchen with vinyl plank flooring and ample storage. Shared laundry is conveniently located, along with plenty of additional storage space. Major updates include a newer furnace and roof, both completed in 2021, and updated deck and patio spaces in 2023. Located just minutes from Marda Loop, Sandy Beach Park, downtown, Mount Royal University, and major commuter routes, this is a location that consistently attracts quality tenants and short term rental demand alike.
