Welcome to the heart of desirable Capitol Hill. This newly built two storey home pairs inner city convenience with family-first design. It offers just under 2,900 sq ft of living space that balances entertainment and residential areas to create an exceptional home. A key feature is a developed basement legal suite that is self-contained and configured to provide both privacy and income potential. The basement can be a two-bedroom rental or private accommodation with its own entry. The main floor impresses with 10' ceilings and large windows bringing abundant natural light. The kitchen is designed for cooking and conversation: BERTAZZONI gas cooktop, Taj Mahal quartz countertops & full backsplashes and continuous cabinetry that supports efficient workflow. A defined separation between the kitchen and the living room at the rear creates clear zones for meal prep and relaxing. The living room anchored by a gas fireplace, while large sliding doors open to the rear deck. The outdoor space is fully fenced and professionally landscaped, offering a low maintenance setting for kids, pets and summer entertaining. Upstairs is organized for privacy and daily ease. The vaulted primary retreat includes a spacious walk-in closet and a spa like ensuite with steam shower, freestanding tub, dual vanities and heated flooring for added comfort. Two additional well sized bedrooms are served by full baths on the level and a dedicated laundry room that smooths morning routines. Generous closets and clear sight lines add practical value throughout. The two bedroom lower legal suite is self-contained with its own entrance, full kitchen, full bath and laundry, ideal for rental income or extended family. Sound-conscious detailing and smart mechanical placement maintain separation and comfort for both households. Finishes include engineered hardwood on the main and upper floors and

durable LVP in the basement. The double detached garage is designed for versatility. Beyond parking, the space adapts easily to secure storage or hobby use, blending functionality with everyday utility. Location is the story. Capitol Hill is a mature inner city neighbourhood known for tree lined streets, strong walkability and a genuine sense of community. Enjoy close access to Confederation Park's pathways and sports fields, nearby cafés and local shops, and straightforward connections to SAIT, the University of Calgary and downtown for commuting and weekend plans. Top schools and convenient transit add to daily ease. This property delivers thoughtful construction, flexible living and a location that holds long-term appeal and value. Move in ready now!
