Open House Feb 7 and 8 Welcome home! You won't find a home better situated than this, walking paths out your front door, Seton's private Community Center across the street, quick access to highways, and the worlds LARGEST YMCA just up the road. This home is perfect for the young professional, or as a starting family home. Entering the home, you are immediately greeted by the sunny, large living room, which takes you directly to the equally bright kitchen. Further into the home, you'll find the centrally located washer and dryer, and 4-Piece bathroom. At the back, you'll find the 2 bedrooms! Each room comes with it's own thermostat, so if you prefer a cooler bedroom, but a warmer living room, it is easy to set! The south facing fenced yard is perfect for relaxing at the end of the day, or enjoying your coffee on the weekend before walking the kids to the playground across the street. This is also a pet-friendly condo! Without board approval, you can have up to 2 pets, but if you need to, you can ask for Board Approval for more!
