27.09 acres zoned FD - Future Development. Located along 62 Street (which transitions into Highway 752), this expansive parcel offers a prime opportunity for a new development project in Rocky Mountain House. Bordered by railway tracks to the east and a small creek to the west, the property features a scenic mix of trees and open meadows. Now is the time to invest in the future of Rocky Mountain House! As of July 2025, the Town has eliminated off-site levies, significantly reducing upfront development costs.
