As you enter the HUGE COVERED DECK notice the GAS LINE for your BBQ. The main entrance to the home through the patio door leads you to the generous living room w/corner electric FIREPLACE (installed approximately 2019) as well as windows everywhere (all blinds inc). Also note the fresh paint & new, modern lighting. Soaring trees are your view from this home! The dining/kitchen has room for a good sized table & also has a cute coffee bar area. The OTR MICROWAVE is newer & upgraded and there is also a GAS STOVE & full sized fridge. Down the hall you will find a closet with plumbing to install a washer & dryer if desired. The 3 pc bath has good storage as well. There is also a generous closet next to the bathroom & here you will find your hot water tank. The bedroom has a QUEEN SIZED next to new BED w/drawers built in (all included as well). There is a spot for TV hook up in the bedroom as well as the living room. Outside find the gazebo to rival all gazebos - tonnes of room to host huge fires & get together. There is also a shed & Shelterlogic tent inc. The septic tank is newer and holds 1500 gallons & for the winter months you can fill your 1000 gallon holding tank cistern. Lock and leave year round or stay and live full time.
