Welcome Home! Here you find a nicely maintained and centrally located starter or investment property. Super cute presence on a tree lined street. Cozy living area and eat in kitchen with two bedrooms and one bath upstairs and a finished basement family room for extra flex space downstairs, this would make a great theatre room or children's play area. Upstairs has new vinyl plank flooring, and a bright white kitchen with tasteful subway tiles and included appliances. Approximately fifteen years ago this home was fully renovated including vinyl siding and low E Argon windows. Both the front and rear foyers are a generous size to drop off coats and boots. The rear yard is fully fenced with rear alley access, parking for two vehicles and two included storage sheds. Make your move!
