Completely remodeled and boasting over 2000 sq ft which includes 8-10' additions of all new construction this exceptional two story home sits proudly on a picturesque tree lined street. Home is perfectly located just a short block to the incredible Waskasoo trail system and within walking distance to a number of schools, Kerry Wood Nature Center and for entertainment head to the Memorial Center for live performances. Envision yourself sitting on the huge covered front porch ideal for savoring a morning coffee on. Decorative stone pillars give it a rustic wood feel. Follow inside to the open and inviting floor plan complimented with maple hardwood floors and ceramic tile throughout. Large family room with picture window allows plenty of natural light to cascade in plus the crown molding along the ceiling lines add to the finishing. An absolute chefs dream for a kitchen design offering full surround Silestone quartz counters, undermount sink, built in oven and microwave, loads of cabinet space and drawers, coffee bar station plus a center island with gas cook top, hanging exhaust fan and Butcher Block counter top. Huge walk in pantry with floor to ceiling shelving plus there is a trap door leading to an additional storage space below. Enjoy the crackling free standing wood fireplace just off the dining area adding ambience to a winter day. The sumptuous main level Primary bedroom is a true retreat away. Plenty of room for your King size furniture, large walk in closet plus a spa like en suite offering dual vanity, walk in double shower plus a soothing two person corner air tub. Head upstairs and you will find three large, comfortable bedrooms with ample space providing flexibility for growing families or guest accommodations. Fully developed basement offers a great amount of space for recreation and entertainment. Enjoy your favorite streaming in the private media room with

trayed lighting plus your own wet bar. Games area perfect for the kids to have fun in plus the office/den is great for work space or studio area. The mechanical/laundry room is equipped with wash basin, functioning toilet, two newer hot water tanks, high efficiency furnace plus built in vac. Main plumbing stack has been replaced with back water valve plus new electrical panel in home as well. Home was also renovated to incorporate thermal break technology. Staggered stud framing greatly mitigates cold penetration, manages heat penetration and also minimizes noise transfer for added comfort. There is a spacious covered back deck which even offers a gas line for the bbq allowing you to grill year round. The beautiful mature yard comes with its own food forest label boasting raspberry, blueberry, black current bushes plus an apple tree. Firepit area great for sitting around and making enjoyable memories. Large 24 x 24 heated garage ideal for vehicle storage plus there is even room for RV parking plus there is a garden shed perfect for seasonal items.
