Welcome to this stunning Dove II Duplex Floor Plan by Truman Homes! This beautifully designed 2-storey side-by-side| 1,788.61 sq ft of thoughtfully planned living space| Complete with a legal basement suite| 4 bedrooms| 3 full baths/1 half bath| 9 ft ceilings| Double detached garage| Paved back lane| This home blends style, function, and flexibility. An incredible layout for investors and homeowners alike — live comfortably on the upper two levels while generating rental income from the legal suite or create the perfect multi-generational setup with space for extended family. The possibilities are endless. Inside, you’ll find luxury vinyl flooring throughout most of the home, floor-to-ceiling cabinetry, quartz countertops, and soft-close doors and drawers, all combining elegance with everyday practicality. Aluminum-clad, low-maintenance dual-pane windows enhance efficiency and durability. Comfort is top of mind with a high-efficiency gas furnace, General Aire drip humidifier, and heat recovery ventilator. Enjoy outdoor living with two gas barbecue lines — one on the upper deck and one conveniently located for the lower suite occupant. Bright, beautiful, and exceptionally functional on every level, this home truly stands out. The legal suite is one of the most spacious and well-designed layouts available, offering both comfort and privacy. The utility room is separately positioned and shared between tenants for easy access. The double detached garage also features added storage with built-in shelving along one side. A rare opportunity that perfectly balances modern design, income potential, and everyday livability!
