Tucked away on one of Maidstone's most exclusive streets, this is an extreme find you don't see come up often. With no back neighbours and wide open space behind you, the privacy here is hard to beat. Built in 2007, this custom raised bungalow offers 5 bedrooms and 3 bathrooms with a layout that feels both modern and welcoming the moment you walk in. The main floor features high ceilings, an open concept design, and hardwood floors flowing through most of the space. The kitchen is built to impress with quartz countertops, a large island with seating, corner pantry, tile backsplash, a smart thermostat, garage door opener, and smart lighting in the main living area and primary bedroom. The primary suite is a true retreat with a spacious walk-in closet and a 5-piece ensuite complete with a soaker tub, separate shower, and dual sinks. Downstairs you'll find two generous bedrooms, a 3-piece bath, and a massive family room perfect for movie nights, games, or simply unwinding. The 23x24 double attached garage offers plenty of space, there's room for RV parking, and you're within walking distance to the school. If you've been waiting for a quiet street, strong curb appeal, and true backyard privacy—this one stands in a class of its own.
