OPEN HOUSE on Mar.28, Saturday. Well maintained two Story Home in a quiet Cul De Sac, amazing location. The main floor begins with a bright high ceiling foyer and a front office. Leading to the rear of the house, the chef's kitchen features with stone countertops, white cabinets, tiled backsplash, a custom-built pantry and large island with eating bar. The adjacent dining area has a door leading onto the balcony overlooking the deep backyard and green belt. The family room features a large window allowing loads of natural light and is accented with a cozy fireplace. The main floor is completed by a two-piece powder bathroom and laundry room. Gleaming hardwood flooring throughout the main floor and upper staircase. The upper level offers two spacious bedrooms and the huge primary bedroom with walk-in closet and a 5 piece en suite. Walkout basement features a 4th bedroom, 3 piece bathroom and a large recreation room with wet bar. walkout basement backing onto greenspace. The huge rear private yard is completed by a stone patio and backs onto a greenspace. Recent upgrades including replacement of shingles, a newer furnace and hot water tank, replacement of the deck covering, fencing, renovated ensuite bathroom, custom-built kitchen pantry and flooring. Updates: Hot water tank 2013, Furnace 2016, Roof 2019, PVC pipe 2022, Water softener 2024.
