A large storage shed with garage door provides ample space for seasonal equipment and recreational gear. Relax under the stars by the firepit, enjoy a game of horseshoes, and watch wildlife pass peacefully beyond your fence. Additional highlights include whole home wired for surround sound, an intercom system, central A/C, extensive custom millwork throughout, remote controlled blinds and skylights, heated garage, underground sprinklers, custom stamped concrete driveways, patios and walkways, concrete curbed gardens, low maintenance landscaping, fully fenced back yard with gated access to Great Chief Park and walking trails.
