Welcome to 681 Devonia Road W — where refined luxury meets everyday family living. This beautifully crafted 1,796 sqft modified bi-level offers an exceptional blend of style and functionality, designed with modern families in mind. Featuring 5 bedrooms and 4.5 bathrooms, this home provides the perfect balance of space and comfort for growing families. Step inside to a bright and welcoming entryway with generous storage, leading up to an open-concept main level featuring soaring 9’ ceilings, expansive windows, and seamless flow throughout. The living room is anchored by a sleek electric fireplace, creating a warm and inviting space for gathering. The kitchen is both stunning and functional, complete with quartz countertops, custom cabinetry, a 48” gas cooktop, double built-in ovens, built-in microwave, and a spacious walk-in pantry. The adjoining dining area opens onto a back deck equipped with a gas line for future use, ideal for summer evenings and outdoor dining. The primary suite is located on the main level and is a true retreat, offering a spacious walk-in closet and a spa-like ensuite with double sinks, a fully tiled walk-in shower, and a luxurious soaker tub. A stylish powder room completes this level. Upstairs, two generously sized bedrooms each feature their own private 4-piece ensuite and large closets — an ideal setup for children, guests, or multi-generational living. A thoughtfully designed laundry room with a sink adds everyday convenience. The fully finished walk-out basement expands your living space with tall ceilings, a second electric fireplace, a wet bar, and a large family room. Two additional bedrooms provide flexibility for a growing family, guests, or a home office. There is a secondary laundry space in the mechanical room. Additional features include luxury vinyl plank flooring throughout, hot water on demand, central

A/C, custom railings, and durable hardie board siding. The oversized 22' x 25' attached garage with 13' ceilings offer incredible storage and functionality, complete with gas hookups, and electric car ready plug outlet. The tall garage with a side mount opener offers the opportunity to incorporate a hydraulic lift to store your summer vehicle. This home is the perfect combination of upscale design and practical family living — offering space, comfort, and luxury in every detail!
