Welcoming you Home since 1964! Family owned and operated, Janssen Homes is excited to be a part of Kitstone and being a part of family generations to come. Janssen would like to introduce to you an open concept bungalow plan with beautiful touches such as vaulted ceilings in the great room, kitchen and nook, and a "raised tray ceiling in the primary. Janssen is known for custom onsite built-ins throughout such as closets with organizers, benches and lockers and this stunning home has it all. You will experience vinyl plank flooring in all main areas and tile in the bathrooms. The open stairwell will be surrounded on two sides with wood railing and metal spindles, which keeps to the open feel on the main floor area. The greatroom showcases the linear gas fireplace with floor to ceiling tile; the chef's kitchen includes stainless steel appliances, large island with eating bar, cabinets to the ceiling with soft close doors and full extension soft close drawer glides. The primary ensuite will be equipped with a curbless shower with bench and 10 mm glass surround right next to the deep soaker tub. There will be a tall double vanity with undermount sinks topped with quartz. Kitstone will be offering neighborhood parks, market, community centre and future school site! Our homes are backed up with the 1, 2, 5 and 10-year warranty. Janssen Homes has been with Alberta New Home Warranty since its inception and continues to be a member in honorable standing. ***Photos from a previous Janssen Homes build, only for concept***
