Discover this beautifully renovated 1,066 sq ft BUNGALOW in a quiet, family friendly crescent in West Park. This home blends MODERN FINISHES with major mechanical upgrades for true peace of mind. Home Includes SOLAR PANEL SYSTEM. Step into a bright, OPEN CONCEPT main level featuring UPDATED FLOORING, recessed lighting, and a spacious living/dining area ideal for everyday living. The refreshed kitchen offers CLASSIC WHITE CABINETRY, updated counters, and excellent sightlines across the main floor. Two bedrooms on this level include a GENEROUS PRIMARY SUITE complete with a renovated 3 PIECE ENSUITE with walk in closet. Plus, a fully updated 4 piece bathroom completes the main floor. The FULLY FINISHED BASEMENT adds exceptional living space with a large family/rec room, two additional bedrooms with larger windows, a renovated FULL BATHROOM, and a dedicated laundry area. Newer carpet adds warmth and comfort. Outside, enjoy a large lot with plenty of room to play, garden, or entertain. The insulated and HEATED single detached garage includes EV (electrical vehicle) WIRING and a 13' x 13' WORKSHOP AREA — perfect for hobbies or storage. RV PARKING, a spacious patio, and even a TREEHOUSE makes the yard a standout. This home also features an OWNED 9.88 kW SOLAR SYSTEM, which more than covers the home's electrical needs and provides a credit back to the grid — a rare and valuable upgrade. Ideally located near multiple schools, Heritage Ranch, Red Deer Polytechnic, and the Red Deer Hospital. Major Updates Include: • New sewer line (2025) • Owned 9.88 kW solar system (2023) • Furnace (2023) • Central AC (2021) • Hot water tank (2021) • Flooring (2021) • Kitchen cabinetry refresh (2021) • All bathrooms renovated • Insulated

& heated garage with EV wiring • Basement carpet (2023) A truly move in ready home with outstanding mechanical upgrades, modern finishes, and a fantastic location.
