Offering an excellent balance of cleared and partially cleared land, this property is well suited for hay production, pasture, or further development into productive cropland. Whether you're looking to raise livestock or expand your agricultural operation, the possibilities here are endless. The current owner has successfully run both cattle and sheep on the property, demonstrating its strong potential for livestock farming. At the center of the property sits a comfortable 1,395 sq. ft. bungalow featuring 5 bedrooms and 2 bathrooms — an ideal home for a growing family or anyone seeking the peace and space of rural living. A large barn/shop provides ample room for equipment storage, livestock, or future farm expansion. Surrounded by scenic forest edges and sweeping views of the countryside, this property offers privacy, space, and the opportunity to build the farming lifestyle you've been dreaming of. Bring your vision and make it your own — your farming future begins here.
