Click brochure link for more details. The Whistler's foyer and extra wide staircase welcome you into this comfortable family home. The large, open concept luxury vinyl plank main floor is ideal for simple mornings around the quartz breakfast bar, lively family meals and quality time in your living room around the fireplace. With the walk-in pantry and mudroom just off the garage, clutter always remains out of view. When it's time to get to work, the dedicated den is the ultimate space to focus. The spacious second floor, with four bedrooms and multiple walk-in closets, gives each family member their own space. While the main floor encourages shared family moments, the second floor allows for "me time". Discover a conveniently located laundry room and linen closet across the hall from a full bathroom. After a long day, relax in your generously sized primary bedroom, complete with a walk-in closet and an ensuite with dual sinks and glass shower. A side door and 9' basement foundation are included with basement development potential (pending permits and approvals). Mattamy includes 8 solar panels on all homes as a standard inclusion! *Renderings are representative - exterior colours may vary.
