Excellent opportunity to own an industrial bay in a well-established SE location. This 1,548 sq. ft. unit includes approximately 1,060 sq. ft. on the main floor plus a fully developed mezzanine, offering functional space for a variety of industrial or commercial uses. Features include front overhead drive-in door access, I-G zoning for flexible operations, and the unit is plumbed for in-floor heating. Built in 2000, the property is well-maintained and currently leased to a stable tenant until the end of 2028, providing reliable income. The tenant is responsible for all utilities, property taxes, and HVAC maintenance, making this a low-management, turnkey investment. Ideal for investors seeking steady cash flow in a strong industrial corridor.
