Nestled in Nacmine! This beautifully renovated property sits on a large landscaped lot and is ideal for families. The living room features a stone fireplace flanked by custom cabinetry, beautiful flooring and tons of natural light pours through the huge vinyl windows. The kitchen is filled with warm wood cabinetry and storage options, yet still has room for a dining area. There are three bedrooms and 1.5 baths on the main floor. Downstairs, you'll discover a large family room, more bedrooms and/or flex rooms, a laundry room and a full bathroom. The yard is perfect for entertaining and your little ones will love the play structure! Whether you're relaxing on the covered deck or having a fire on the patio, there is plenty of space. Do you need RV parking? There are options for that too! And yes, it has air conditioning (and the unit is only a year old!) There are so many features to this one, it's best to just book a showing and see it for yourself!
