Welcome to most sought after community of Signal Hill! This well-maintained, original traditional bi-level home offers a fantastic blend of character, space, and convenience. Featuring 3 large bedrooms and 3 full bathrooms, the home includes a spacious primary suite complete with a generous walk-in closet. The bright and functional kitchen is highlighted by beautiful granite countertops, while multiple living spaces—including a large basement rec room—provide plenty of room for family living and entertaining. The basement also features a striking fireplace with hand-cut rock, complemented by a marble fireplace in the family room above. Additional upgrades include a newer hot water tank (2025), insulated basement ceiling, and a durable clay tile roof with mortar reinforcement completed just two years ago. Outside, enjoy a pie-shaped corner lot offering extra space and privacy, along with a heated oversized garage. A large laundry room with sink and built-in cabinets adds everyday convenience. Ideally located with easy access to shopping, restaurants, schools, and public transportation, this home is just a 10–15 minute drive to downtown—making it perfect for both families and commuters.
