Big lot, big updates, nothing left to do. This 3-bed, 2-bath sits on one of the largest lots in Lynnwood Park Estates — fully fenced, gated, with a fire pit and a 10×12 shed. Inside and out, it's been methodically updated since 2020: full gut on the main floor including subfloor, flooring, plumbing, electrical, paint, and a brand new kitchen with all appliances and LED lighting. Both bathrooms rebuilt in 2021. New furnace in 2022. Leveled and all windows and exterior doors replaced in 2023. Then in 2024 — metal roof, insulated metal skirting, Tyvek siding, back porch, and exterior lighting. This isn't a flip — it's five years of deliberate, quality upgrades. W/D, all appliances, extra siding, and window trim included. Lynnwood doesn't see many like this.
