"Best deal on a detached infill in the inner city" Experience elevated inner-city luxury living in this fully upgraded detached infill, ideally positioned in the prestigious community of Capitol Hill. this mature, well-established neighborhood features wide, tree-lined streets and a charming mix of housing styles, from mid-century bungalows to modern townhomes and stunning infills, all just a few blocks from the heart of 16th Avenue NW. This stunning home features modern, elegant finishes and a thoughtfully designed open-concept layout that seamlessly blends style with functionality. The main floor welcomes you with a grand foyer that opens into a bright, airy layout enhanced by 10-foot ceilings and oversized windows. A dedicated dining area connects seamlessly to the chef-inspired kitchen, complete with full-height cabinetry, quartz countertops, a large central island, and a premium KitchenAid stainless steel appliance package. The adjoining living room exudes warmth and refinement, anchored by a sleek gas fireplace and complemented by oversized sliding glass doors that create a seamless connection to the outdoor living space—perfect for effortless indoor-outdoor entertaining. A functional mudroom with built-in storage keeps daily routines organized and clutter-free. Roller shades throughout the home provide comfort and privacy. Upstairs, the primary suite offers a private retreat with vaulted ceilings, a custom his-and-hers walk-in closet, and a spa-like ensuite featuring heated floors, a freestanding tub, a fully tiled steam shower with bench seating, and quartz finishes. Two additional well-appointed bedrooms, a beautifully finished bathroom, and a dedicated laundry closet complete the upper level. The fully developed lower level continues the home’s elevated aesthetic, featuring impressive 10-foot ceilings and in-floor heating for ultimate comfort.

Designed for entertaining, the expansive recreation area includes a sophisticated wet bar, while an additional bedroom with a walk-in closet and a full bathroom provides an ideal private space for guests. Recent upgrades include a high-efficiency Rinnai tankless water heater, Culigan Softener, RO Filtration and a combi boiler system for basement in-floor heating. The house has central AC and pre-wired speakers throughout. Outside, the fenced and beautifully landscaped yard is designed for low maintenance. A double detached garage provides secure parking, while a separate storage shed offers additional day-to-day storage. Located just minutes from Confederation Park and offering easy access to SAIT, the University of Calgary, downtown, top schools, shopping, and everyday amenities, this property is situated in a community that balances character with practicality. With excellent schools, convenient transit, and thoughtful construction, it combines flexible living and a location with lasting appeal and value—move-in ready. “;All offers will be presented to the seller on Monday, April 6th, at 7:00 PM.”;
