Beautifully maintained 2019 modified bi-level offering a bright, modern feel throughout with fresh paint and clean, consistent finishes. The main level features an open-concept layout filled with natural light and highlighted by a stunning coffered ceiling that adds depth and character, anchored by a stylish kitchen complete with quartz countertops, a large island, and updated appliances. Two bedrooms and a full 4-piece bathroom finish off the main level, while the living and dining areas flow seamlessly with direct access to the back deck, creating a great setup for both everyday living and entertaining. Upstairs, the private primary retreat offers a quiet escape with its own ensuite and walk-in closet. Downstairs is partially finished with framing and electrical already completed, giving you a strong head start to add your own finishing touches and build equity. Complete with a double attached garage and located in a desirable neighbourhood, this home offers the perfect blend of modern design, functional layout, and future potential. Book your viewing today!
