This elegant custom built home blends timeless architecture with refined, minimalist design. Perfectly positioned along an extensive walking trail & forested green space offers both privacy & a serene natural backdrop. All details curated for comfort & family living. Stunning, spacious kitchen showcases a luxury leather-touch Cambria Quartz Island, gas range & hidden butler's pantry with direct access to the garage. The open-concept main floor is graced by an open stairwell leading to the upper loft, creating a sense of light & architectural interest. Upgrades include Hardwood Flooring, Oversized Windows, Custom floor-to-ceiling Drapes, main-floor office & large upper laundry room. With 4 bdrms, 3.5 baths, A/C & Triple garage. This Home is perfect for all family sizes. The Fully finished basement has a stylish wet bar, recreation room, an extra bedroom & a 3-piece bathroom—perfect for guests & entertaining. Walking distance to park, playground & transit, this home blends luxury, comfort, and convenience. Perfect location to view the Northern Lights!
