This property is on city water. This property truly is a one of a kind and must be seen to fully appreciate it. The home's exterior showcases timeless brick and stone, leading to a stunning premier arched front entry door crafted from maple with elegant detailing. Inside, you're greeted by soaring 20-foot ceilings and a breathtaking floor-to-ceiling stone gas fireplace. Expansive windows flood the space with natural light, highlighting the custom tile work and rich Brazilian hardwood finishes. A jaw dropping curved walnut staircase adds architectural elegance to the grand entrance. The open-concept kitchen and dining area features a tray ceiling with custom crown moulding and is designed for both everyday living and entertaining. The chef's kitchen includes two-tone cabinetry, a Sub-Zero refrigerator, Miele dishwasher, double Wolf ovens, a gas cooktop, custom hood fan, cast iron sink, and stylish lighting throughout. The main floor primary suite is a private retreat, complete with its own gas fireplace and access to a wraparound exposed aggregate patio. The spa-like ensuite offers custom built-ins, dual sinks, a large jetted tub, and a steam shower with rain head and body jets. A separate restroom includes an additional sink and washer/dryer hookups. Dual walk-in closets provide ample space and organization. Conveniently and smartly located off the kitchen is a functional back entry with generous storage, a laundry room with sink, and a half bath with ideal access to the garage. Upstairs, you'll find four additional bedrooms, a spacious bonus living area, and one-and-a-half bathrooms, all boast large windows. The fully developed walk-up basement features 9-foot ceilings, stone feature walls, and a long gas fireplace.

Host like a professional in the bar area complete with a wine fridge and dishwasher, or enjoy movie nights in the theater room. This level also includes a full bathroom, a dedicated workout room with custom brick and reclaimed wood accents, and a bright office with built-ins. The oversized 30' x 48' garage offers drive-through access, custom storage, in-floor heating, and durable epoxy flooring. Additional features include RTI surround sound, a full security system, and connection to city water. The beautifully landscaped yard boasts custom brickwork, rock retaining walls, a fire pit area, mature trees, underground sprinklers, and charming playhouse structures. A 50' x 84' fully insulated Quonset, complete with radiant heat, gas heater, concrete floors, a half bath, and an overhead powered door. Again, this is an absolute must view in person property for any serious acreage buyers.
