Welcome to this exceptional mid-century modern bungalow, perfectly positioned across from a park and green space. Showcasing timeless design, this home features stunning cedar plank ceilings with exposed beams and original hardwood flooring throughout the main level, creating warmth and architectural interest rarely found. Offering 4 bedrooms, a den, and 3 full bathrooms, the layout is both spacious and functional. The bright living and dining areas flow seamlessly, while the character-filled kitchen offers great potential and includes a charming eating nook. The primary bedroom is generously sized with large windows and a private 3-piece ensuite, complemented by two additional bedrooms and a full bathroom on the main floor—all bedrooms are bright, sun-filled spaces with oversized windows. The fully developed lower level features a separate entrance, a large family and recreation space, an additional bedroom, and a second room currently used as a bedroom (window does not meet egress requirements), plus a full bathroom and extensive storage. The large fenced yard, front patio for outdoor entertaining, and double detached garage complete this unique property. A rare opportunity to own a home with this much character in an unbeatable location
