Located in the quiet community of Vanier East in Red Deer and directly across from a neighborhood park, this well-maintained two-storey home offers a bright and functional layout with thoughtful upgrades throughout including laminate and tile flooring, LED lighting, upgraded electrical switches and plugs, composite decking, heated tile, and more! The main floor features 9-foot ceilings and an open-concept living area with a cozy gas fireplace, a well-designed kitchen with raised cabinetry and stainless steel appliances, and a dining area that opens to a covered maintenance-free composite deck with aluminum railings overlooking the fenced backyard. A front den provides flexible space for a home office or quiet retreat, and there is a 2 piece bath for added convenience. Upstairs you’ll find three bedrooms, a spacious bonus room, and a convenient upper-level laundry room. The primary suite offers a generous five-piece ensuite with heated tile floor, dual sinks, a soaker tub, and a separate shower. The other two bedrooms share a nicely sized 4 piece bath, and there is a built-in cabinetry in the bonus room. The basement is open to your development ideas featuring 9-foot ceilings and potential to add two more bedrooms, while in-floor heat is roughed in for future use. The finished double attached garage includes a floor drain and dehumidifier fan for added practicality. Situated on a landscaped lot with back lane access and close to parks, walking paths, and nearby amenities, this home offers comfort, functionality, and a great location in a well-established neighborhood. Welcome home!
