Backing onto greenspace with direct access to biking and walking trails, this expansive custom built 5+3 bedroom home with a FULLY DEVELOPED WALK OUT BASEMENT offers over 4,600 sq ft of beautifully designed living space. The main level features luxury vinyl plank flooring, soaring ceilings, and stylish lighting throughout. A dramatic front living room with a towering ceiling flows into a welcoming family room, highlighted by a floor to ceiling feature wall with fireplace. This open concept continues into the spacious dining area and the stunning kitchen, complete with a waterfall island/eating bar, abundant cabinetry, a high end appliance package, and a fully equipped spice kitchen/butler's pantry. A generous main floor bedroom with its own private 3 piece ensuite is ideal for guests or multi generational living. An office tucked quietly down the hall provides an excellent work from home space, and a 2 piece powder room completes the level. Upstairs, a central bonus room anchors the second floor, which hosts four additional bedrooms—two with private ensuites—along with a 3 piece Jack & Jill bath and a convenient laundry room. The primary retreat impresses with a dramatic tray ceiling, a walk in closet, and a luxurious 5 piece ensuite featuring dual sinks, a relaxing soaker tub, and a separate shower. The walk out basement is perfectly suited for extended family living, offering its own spacious living room with a floor to ceiling feature fireplace and built ins, a dining area, and a well appointed kitchen with quartz countertops, an eating bar, ample cabinetry, and stainless steel appliances. Three sizeable bedrooms (including one with a 4 piece ensuite), a 4 piece main bath, and private laundry facilities complete this level. Additional highlights include central air conditioning, Smart Home features, and built in speakers. Outdoors, enjoy a

back deck overlooking the greenspace, a covered patio, and effortless parking with a triple attached garage. This exceptional property is close to schools, shopping, parks, and public transit, with quick access to Country Hills Blvd and Stoney Trail—offering convenience, space, and a rare connection to nature.
