OPEN HOUSE Saturday April 25 from 1-3 pm. Well-maintained Jayman-built bungalow offering a functional layout and quality updates throughout. The main floor features oak hardwood flooring and a kitchen updated with new cabinets, stainless appliances, and granite counters in 2011, along with a convenient main floor laundry. There are two bedrooms up, including a primary bedroom with a 3-piece ensuite. A three-sided fireplace adds warmth and character to the main living space, and a phantom screen provides added comfort and airflow. The fully developed walkout basement includes a third bedroom, a 4-piece bathroom, plush carpet, and a spacious recreation area with a wet bar and a large built-in entertainment center. A gas fireplace on a thermostat adds comfort to the lower level. Additional features include air conditioning, a furnace replaced approximately 3 years ago, and a hot water tank installed in 2017. The private, landscaped backyard includes a shed and offers a quiet outdoor space to enjoy. A solid bungalow with practical upgrades and flexible living areas.
