Inside, the layout is practical and versatile. The main floor features an open-concept design with a spacious kitchen offering plenty of counter space and a full pantry, flowing into the dining area with access to a west-facing deck overlooking the park. The living room provides a comfortable space to relax or host friends. Upstairs, you’ll find two primary bedrooms, each with its own ensuite, making it ideal for roommates, guests, or a home office setup. Conveniently located upper floor laundry. The fully developed walkout basement adds a third bedroom and is filled with natural light, giving you even more usable living space. This home is move-in ready with fresh paint and updated vinyl plank flooring, so there’s nothing left to take care of before settling in. The single attached garage, and driveway parking for two vehicles add everyday convenience, along with nearby visitor parking. Located on Yankee Valley Blvd and with quick access to the highway, you’re within walking distance to everyday essentials like groceries, coffee shops, and restaurants, as well as schools and other amenities. The complex has low condo fees and a low turnover rate, which speaks to its overall appeal.
