Quiet Cul-De-Sac Privacy Meets Sun-Drenched Living Tucked into the back of one of Valley Ridge’s quietest cul-de-sacs, this freshly painted detached home sits on an expansive 5,296 sq. ft. lot. It is the perfect blend of sunlight, mature natural privacy and thoughtful mechanical upgrades, offering a lifestyle of ease and mountain-edge convenience. Main Floor: Work from Home in Style The main level is designed for the modern professional, featuring a decently sized den that is ideal for a quiet, productive home office. The airy floor plan is defined by oversized windows that flood every corner with natural light, creating a bright and welcoming atmosphere from the moment you walk in. The Signature Space: A Massive Bonus Room The "wow" factor of this home is the oversized upper level bonus room. As the largest room in the house, this sun-drenched flex space is perfect for a high-end media lounge or the ultimate kids playroom. Upper Level Living The upper floor features three generous bedrooms and 2.5 baths, including a primary retreat with a walk-in closet. Two bedrooms offer elevated neighbourhood views, creating a true sense of openness. For ultimate convenience, the laundry is located on the bedroom level. A Basement Built for Recreation The fully developed lower level is all about entertainment and comfort. It features a huge recreation room perfect for a home theatre or gym and a full bathroom with heated tile flooring, a touch of luxury that guests will love on crisp Calgary mornings. Outdoor Living & Seasonal Privacy The southwest facing backyard is a year round sanctuary. Nine mature aspens provide a lush summer covering for cooling shade, while two apple trees add a touch of charm. In the winter, the southwest exposure maximizes natural warmth, while a majestic evergreen front ensures year-round curb appeal and privacy

from the street. The Host's Dream Parking is never an issue here. Beyond the double attached garage and 4 car total parking, the unique cul-de-sac location easily accommodates 25+ additional vehicles, making this the neighbourhood's premier home for hosting large family gatherings and holiday parties. Maintenance & Peace of Mind This home is move-in ready with a focus on long-term reliability: Humidifier: Replaced 2024 Hot Water Tank: Replaced 2022 Furnace: Professionally inspected April 2026 (Perfect condition) Bonus: Built-in central vacuum system included.
