From the moment you arrive, the curb appeal sets the tone - stacked stone exterior, permanent architectural lighting, exposed aggregate driveway, beautiful professional landscaping, and a triple attached heated garage. A 22x24' double detached garage at the rear adds even more functionality, complete with vaulted ceilings, pot lighting, epoxy floor, and separate storage area. Inside, the main floor unfolds with rich hardwood and tile flooring, and a floor-to-ceiling stacked stone fireplace anchoring the living room with vaulted ceilings to the kitchen. The kitchen is nothing short of spectacular with custom cabinetry, granite countertops, a massive island with bar sink, Kohler cast iron farmhouse sink, upgraded stainless steel appliances, gas stove, and glass pendant lighting. A formal dining room, dedicated front office, and thoughtful layout make this home equally suited to entertaining and everyday living. The primary suite is a genuine retreat and connects to a spa-calibre 5-piece ensuite with a freestanding soaker tub, glass-enclosed shower, mosaic tile, walk-in closet with California closet built-ins, water closet, and all high end fixtures. Two additional main floor bedrooms and a 4-piece bath complete the main floor. The crown jewel of the outdoor space is the fully enclosed 4-season sunroom with cedar ceilings, mounted TV, and its own wood-burning fireplace. The fully developed basement is heated with in-floor heat and features a massive rec room with wet bar, theatre room (currently used as a gym), a 4th bedroom, 3-piece bath, and an oversized

laundry room with solid oak cabinetry and a sink.
