Looking for a 4-bed cabin in Sunbreaker Cove with lake access and year-round comfort? Welcome to 1225 Breakers Way, a turn key 4 season cabin offering lakeviews, direct access to the water, and an environmental reserve right out front for added privacy and natural beauty. The main floor features a primary bedroom and full bath, along with a renovated kitchen and an inviting living room centered around a wood stove. Over the past 8 years, thoughtful renovations have been completed throughout the home, including updates to the kitchen, bathrooms, and key systems, creating a move in ready experience. Each improvement was carefully designed to maximize functionality and make use of all available space, creating a layout that lives larger than expected while maintaining the charm of a cabin setting. The basement includes three additional bedrooms, two with lakeviews, a half bath, laundry area, and a separate entrance, offering flexible space for guests or extended stays. Outside, enjoy the 31 x 15 west facing deck, perfect for evening sunsets, plus a fire pit area tucked behind the cabin. The property also features a 24 x 26 heated detached garage with epoxy flooring, a shed, and two dock sections on a shared ownership dock for easy lake access. Major upgrades include conversion to natural gas, furnace (2019), hot water tank (2023), metal roof with soffit and fascia (2018), pressure tank and plumbing (2019), Well Pump(2019), a deep water line and upgraded 100 amp electrical (2019). With 21 trees planted to enhance the setting, this 4-bed cabin in Sunbreaker Cove offers a blend of comfort, updates, and lake lifestyle.
