Loaded with high-end upgrades and modern enhancements throughout, this rare, fully integrated smart home offers bold design, modern efficiency, and exceptional indoor-outdoor living. Featuring a brand-new architectural shingle roof with turbo vents for attic rain protection, durable vinyl and Hardie board siding, new double-pane energy-efficient windows, upgraded electrical panel, an enhanced HVAC system, whole-home water filtration, a smart thermostat, and full home automation, this residence was thoughtfully designed for comfort, convenience, and long-term value. Inside, architectural details set the tone with a striking feature fireplace wall, full-height tempered glass architectural divider, built-in media shelving, and whole-home smart lighting and dimmers. The upgraded kitchen showcases quartz countertops, modern cabinet refacing, pull-out storage organizers, a stylish backsplash, and a smart fridge with a hidden pantry entry, blending sleek aesthetics with everyday functionality. Upstairs, the spa-inspired ensuite delivers standout luxury with a custom walk-in steam shower, rainfall showerhead, frameless glass enclosure, oversized tilework, a soaker tub, a double vanity with an LED mirror, and motion-sensor lighting. Thoughtful storage solutions continue throughout with closet organizers, built-in shelving, a mudroom with custom storage, and an organized laundry space featuring a Samsung washer and dryer. Outdoor living is where this home truly shines. Enjoy a custom deck with frameless glass railings, a private hot tub retreat with privacy screen, and a sunken firepit with built-in seating, all surrounded by professional landscaping, horizontal privacy fencing, solar and wired exterior lighting, and permanent Celebrite holiday lighting. The stamped concrete pad, featuring a compass inlay and upgraded alley access, further elevates the exterior appeal. The fully

finished garage transforms into an entertainer's retreat with golf simulator capability, projector setup, custom storage, and a rare wood-burning garage fireplace, creating a truly one-of-a-kind space. Offering 3 spacious bedrooms, 2.5 bathrooms, 1,672 sq ft above grade, and 870 sq ft of basement space with egress windows, this home delivers over 2,500 sq ft of total potential living space in a highly sought-after Copperfield location. A truly unique opportunity where luxury, technology, and lifestyle come together.
