Former showhome built by Kelly Kustom Homes, backing directly onto the Lakewood storm pond with no rear neighbours and uninterrupted views you won't find twice. This is where thoughtful design meets a setting that actually delivers. The main floor was built to stand out. A soaring great room with a statement fireplace creates the focal point, while the chef-inspired kitchen with an oversized island is equal parts functional and impressive. A front office adds flexibility for work-from-home life without sacrificing your living space. Upstairs, the primary suite offers a true retreat with a spa-style ensuite and a generous walk-in closet. Two additional bedrooms and upper-level laundry complete the layout in a way that feels easy and intentional. The walkout basement is ready for your future plans, whether that's added living space, a home gym, or guest quarters. Outside, the landscaping is already complete with underground sprinklers, so there's nothing left to do but enjoy. Located in Lakewood, Strathmore's newest lakeside community just 25 minutes from Calgary, this former showhome brings together premium finishes, a standout location, and the craftsmanship Kelly Kustom Homes is known for.
