Large house, Large shop, Large property! Not very often does a property of this caliber come up for sale. The land consists of over 100 acres of natural never broke grassland that is fully fenced and cross fenced. At 1860 square feet the main area of the house will accommodate a large family or entertaining friends. An open floor plan, Vaulted ceilings, 3 bedrooms, 1.5 baths (plus en suite), family room, sitting room, fireplace, breakfast nook and kitchen make up some features of the main floor. On the west side of the house there is a 350 sq ft fully enclosed sun room with 4 skylights. Attached to the sun room is a 420 square foot deck. The front entry also has a partially covered 250 square foot deck. Down stairs has been framed with an additional 2 bedrooms, also a 3rd bedroom is possible. There is a 750 square foot double over sized attached garage on the south side of house. You can access the main level of the home from this garage. Above this garage is an additional 750 sq foot vaulted area, with deck, which is ample room for any purpose you might require. Facing east there is a triple over sized attached garage. From this space you can access the basement of the home. As you can see there are multiple options for this home; anything from hobbies, collections, home office spaces, even possible shared accommodations. Just north of the home sits the shop. At 3300 square feet on the main level and 2000 square feet on the upper level, the sky is the limit with possibilities. So whether you are into horses, cows, pigs, chickens, cars, trucks or a home business, this place is for you. Being that this property is still being worked on, there are plenty of options when it comes to finishing it out and possession. Call your favorite agent today to book an appointment!!!

2023 renovations. -All the ceilings in the home have been scraped and re textured. The whole house has been painted. The roof gables have been done with smart board. Stone corners on both attached garages. Exposed aggregate sidewalks. New exterior lights. Power, water, sewer, gas all ran to the shop.
