100 x 120 shop with 20 foot ceiling and 4 drive through bays one of which is the wash bay. All OHD are 18 X 18 and within the bays is a pit for working on the equipment, changing oil etc. The wall construction is concrete insulated panels and the are from floor to ceiling - in floor heat with a used oil burning over head heater. Multiple storage rooms, office and change room/laundry room are all contained within the shop. One of the few shops this size available in the Peace River area so if your company is looking for the perfect spot to access the Seal Lake Oilfield area or are in the logging/chip/forestry industry - this may be the perfect fit
