Welcome to this incredible modified bi-level home in Wembley that is currently under construction and will be ready for possession Late June 2024 ! Boasting an attached garage and situated on a large lot, this property features a spacious backyard. The lot is wide enough that it can have an RV parking pad in the front. As you step inside, you'll be greeted by a lovely entryway complete with ample storage space. The main level offers a fantastic kitchen area featuring stunning cabinetry and European countertops, a generous dining area, and a comfortable family room. The upper level is home to a generously sized master bedroom with a walk-in closet and an ensuite featuring a tiled shower. The basement level is open and waiting for your creative touch to develop into additional living space. Located just a short 12-minute drive west of Grande Prairie, this home is situated in a fantastic area, offering numerous advantages. Come see for yourself what this remarkable property has to offer! Please note inside pictures are sample photos of what the home will look like
