Welcome to 311 Dieppe Blvd., where modern luxury meets sustainable living! This stunning energy efficient home offers a unique and custom layout designed to exceed your expectations. As one of the area's original homes, this stunning property underwent a complete rebuild in 2022/2023, transforming it into a modern masterpiece. The list of interior features is long! On the main level there is a spacious family room with a show piece fireplace as well as a half bath for guests and a mudroom. The kitchen is a chef's dream with custom cabinetry, high-end appliances, two floor to ceiling pantries, a stunning hexagon backsplash, solid walnut accents, quartz countertops and a butler's pantry with a sink, shelving and a wine fridge. The second level with its designer finishes includes three bedrooms with 9 foot ceilings. Also on this level are two full bathrooms, a laundry room and a dedicated office space. The principal suite is a private oasis with a deck overlooking the backyard and a spacious sleeping area separated from a bonus sitting area by a two sided fireplace. It also features a luxury bathroom with a soaker tub, a separate shower, a toilet room and a double vanity with an abundance of both counter space and storage. The lower level of this one of a kind home is legally suited, and has a private rear entrance. It includes a completely renovated one bedroom, one and a half bath suite with two office spaces and a laundry room. The open concept living area is open to an impressive kitchen with high end appliances and finishes. If you are looking for an exquisitely restored home, with net-zero energy consumption, full solar, and geothermal heating systems, call your realtor to schedule a viewing today!
