Introducing the "Chelsea"! Nestled in the foothills of Cochrane, on the doorstep to the majestic Rocky Mountains. 50 Heritage Cove, showcases the quality workmanship and attention to detail in both design and finishings of Fifth Avenue Homes. This home offers 2,610 sq ft above grade with potential to develop another 900 sq ft in the lower level (builder has plans available and can develop for additional cost). The main floor features a great room with a gas fireplace, the open concept is perfect for entertaining and family gatherings. The beautifully designed kitchen is a dream! Custom cabinets, top-of-the-line fixtures, Quartz counters, table-top island with stool seating plus a butler's pantry that offers additional storage and prep counter. The eating area adjoining the kitchen has room for a full-size dining suite and access to the spacious 16'x10' deck with gas BBQ line. There is a front flex room that can be used as an office, den or formal dining room. Completing the main floor: 2 piece bathroom, a full size laundry room, and a family size mud room (custom built-in storage lockers) with access to the double garage. Engineered hardwood, custom tile work and 'ceilings throughout the main floor. The upper level is perfectly designed for a large family! Three spacious bedrooms, including a primary suite with retreat area, fully equipped spa-style ensuite and walk-in closet. The bonus room has plenty of room for toys, TV or computer desk – enjoy the valley and mountain views. The home sits on an east exposure, lot in the popular community of Heritage Hills, close to the park and tot lot. Minutes to the 1A highway west to the mountains or head east for an easy commute to Calgary; close to old town Cochrane with its many shops and restaurants.
