Are you looking for that new site to build your home?? Then here is the perfect parcel at a very reasonable price - located only minutes from Grimshaw and about 15-20 minutes to Peace River. This is a fairly large level parcel just over 3 acres within a large subdivision that is mostly developed. Location is central and there is already a steel cased drilled well on the site. At this price with a well you wont find many properties to compare to - the sign is up!! Call today!!
