A 1230 square foot bi-level home in a family cul-de-sac. The home was built in 2000 and is exceptionally maintained. The current homeowners have installed a new HVAC system which includes a central air conditioner. The shingles were replaced in 2023. This 5-bedroom: 3-bathroom home is ready to move into. The finished basement has a full 3-piece washroom: laundry: a wet bar and an attractive coordinated electric fireplace. Enjoy the full-sized above-ground windows: allowing the light to naturally flow through the space. The back deck leads onto a ground-level cobblestone pad providing unobstructed views of the lush fields to the north. A fenced backyard with a substantially sized shed for all of your storage needs.
