Large windows and a kitchen skylight make the home bright and inviting while the high quality laminate adds warmth with its rich tones that look like hardwood. Offering plenty of storage with a built-in pantry and lots of cabinets, the kitchen has room for a dining table plus there a breakfast bar for quick meals. The primary bedroom is a good size with room for larger furniture. The 4 piece ensuite has a skylight to brighten the room. The addition on the home includes a fourth bedroom or hobby room with plenty of closet space for even more storage. Next to that is a south facing sunroom that makes a great spot to enjoy morning coffee. The attached carport is a sought after feature in this community. It is long enough for 2 car tandem parking. The big ticket items have been completed in recent years; furnace and hot water tank approx 7 years old, a/c installed approx 10 years ago, roof is 15 years old with 30 year shingles and plumbing has all been upgraded to pex. There is a large shed at the rear of the home with electricity, a built in workbench and storage shelves. Lot fee is \$830/month and includes landscaping, snow removal, waste and recycling.
