Situated minutes away from the picturesque Henderson park, it invites leisurely strolls and outdoor activities with family and friends. This stunning 4-level split is everything you've been dreaming of! All bedrooms are nestled on the top level, with the master suite boasting an 2pc ensuite and an expansive wall of built-in closet space. Bedroom 3 is a hidden gem with a charming built-in nook! The main floor kitchen includes stainless steel appliances, a sleek ice dispenser in the fridge, stone countertops, and a sunny skylight. The dining room is perfect for all gatherings! The main floor living room is pure comfort, featuring a cozy gas fireplace, a stylish faux wood wall, and a wall of south-facing windows flooding the space with natural light. The third level family room also delights with another gas fireplace, built-in shelving, and an extra bonus closet—storage galore! The finished fourth level is a versatile haven with a den/office, additional open shelving in the bathroom, and a spacious laundry room complete with a built-in ironing board and even more storage! There is also a heated single attached garage and a generous backyard for outdoor enjoyment. New roof, newer water tank. Don't miss out on this one!
