20 quiet acres on the outskirts of Marie Reine; just packed full of opportunity. Currently being run as an air B&B & small horse ranch. This could be the perfect opportunity for a retired couple looking for residual income. The landscaping is full of interesting eye catching corners, all designed to compliment the B&B & ranch theme. There is a cozy little 3 season guest cabin in addition to 3 bedrooms in the house to be used for guests. This acreage is "hobby farm ready", offering perimeter electric fencing with cross fencing, some pasture, two dugouts and a shelter barn with stalls & bale storage for your horses. This 4 bedroom/2 bathroom home would be ideal for any growing family wanting an affordable acreage to raise the kids. Located just off of HWY 744, school bus pick-up is a breeze. Its hard to find an acreage serviced with municipal water and sewer, just a 20 minute highway drive to Peace River. Please take a minute to view the attached video. It would be a pleasure for your Realtor to show you this fun and versatile acreage.
