This delightful three-bedroom residence flaunts numerous enhancements. The main living areas, including the living room, dining room, and one bedroom, feature fresh drywall and a new coat of paint. A spacious 100-square-foot back entrance/laundry room provides ample space for everyday necessities. The kitchen serves as the heart of the home, updated with sleek stainless steel appliances and crisp white cabinetry. The south-facing living room is home to a cozy wood stove, ensuring warmth throughout the chilliest months. The backyard includes a separate fenced garden, perfect for protecting your plants from pests. Notably, the furnace was replaced in 2019, and additional insulation was installed in the attic in 2021.
