2 garages ! Located on close to a HALF ACRE lot in Coaldale. This is a one of a kind bungalow and has an open spacious floor plan. The living room has a large window to let the light in and a beautiful wood burning brick fireplace. There is a large kitchen with plenty of cupboard space. The master bedroom is a great size with ensuite. Laundry is on the main floor with a large sunroom/boot room off the deck .Head downstairs and you will find a great space to entertain and 3 good sized bedrooms. There is also a full bathroom. This house has it all. Head into the private backyard with a heated triple car garage! There have been many updates to the home over the years including new vinyl plank flooring, shingles and windows were done 5 years ago. The driveway installed with Rubber stone ! Come check it out
