The deer - how good is that?! This meticulously maintained character home features 3 bedrooms, 2.5 bathrooms, and a charming upstairs space perfect for a book nook, yoga area, storage, or whatever you like. The fully finished basement (with a shorter ceiling) includes new flooring, 2-year-old hot water tank, a spacious bedroom, laundry, and a full bathroom. Outside, you've got room for days, an insulated detached single-car garage, underground sprinklers, and a fenced-in dog run. If you're after space, charm, and a home that's already beautiful, this is it! One last thing, a recent upgrade is connection town water, but you've still got access to well water for irrigation or as a backup in case of emergency.
