This rare floor plan at Sierras of Heritage is only 1 of 3 in the entire building and the only one on the top floor! This spacious 2 bed 2 bath unit offers over 1600 sqft of living space including a large den area that could also be used as a 3rd bedroom if needed. You will have an easy time fitting large furniture in this unit as both bedrooms are spacious and the massive formal dining room has ample space for a large table to accommodate big family dinners & offers a built in cabinet for extra storage! Kitchen offers a ton of cabinet space, granite-like countertops along with painted white soft-close cabinets, high end stainless steel appliances and a spacious corner pantry. Main living area is open to a beautiful gas fireplace and large south facing bay windows that provide a ton of natural light into the unit. South facing balcony gives you the best of both worlds with a lockable crank operated sun screen made by Calgary Tent and Awning, providing shade or sunshine depending on your mood! Both bathrooms have been updated with Quartz counters and new vanities with the primary ensuite also providing a large open shower that is easy to get in and out of. To the right of the front door you will find the laundry room with high end LG washer and dryer, laundry sink, bar fridge, upright freezer and even more storage! The den can be found through this laundry area and is spacious enough to fit a bed and furniture and provides fire safety with one of the many sprinklers being located in the room.
